-

EXPERIENCE

Operations Manager
Ordo

2020 – On Going
Altrincham, UK

Responsible for managing all of the company's logistics, warehouse and stock management. My responsibilities expanded to encompass managing online store through Shopify which include working with both frontend and backend, working with retail partners EDI systems which include both set up and ongoing management, working with and building on top of an order management system (Mintsoft) using it's API, updating and maintaining order notification Google Chat application using Python and deployed to Google Cloud Run.

Key Accomplishments:

- Implementing new systems to significantly improve warehouse organisation and efficiency.

**Head of Housekeeping
Mercure Bowdon Hotel**

2018 – 2020
Altrincham, UK

Responsible for managing all aspects of the business' housekeeping department.

Key Accomplishments:

- Completed schedules, shift reports and other business documentation.
- Assigned housekeeping staff to specific shifts, and room blocks based on abilities and daily requirements.
- Maintained controls over expenses and inventory for optimal budget tracking.
- Reduced financial discrepancies through accurate management of payroll and bookkeeping processes.
- Reduced financial discrepancies through accurate management of payroll and bookkeeping processes.

**Crew Member
McDonalds**

2017 – 2018
Altrincham, UK

- Assisted other team members to achieve goals.
- Provided excellent customer service by greeting customers and meeting quality expectations.
- Took orders, prepared meals and collected payments.
- Supported great dining and meal experiences for guests.
